Working for The Sands

Kepier Lodge Update

Councillors Richard Ormerod and David Freeman led the fight to get last year's application refused, as it would have been intolerable for residents of Ferens Close.

We are now waiting to see what Persimmon (the developer) do. They have planning permission from 2015 for development which is with an undercroft carpark, but were refused for the various schemes they put in last year for the removal of the undercroft parking and instead 3 off street parking areas at off The Sands, mid Ferens

Close and top of Ferens Close.

Councillors and residents want them to get on and build what they already have permission for.

New grit bin at Ferens Park - thanks to the local Lib Dems!

Corbyn's Local Failure

Jeremy Corbyn's Labour Party has failed to find local candidates for the council elections this year.

Instead they are putting up candidates from Coxhoe and West Rainton in our area!
